LIFE’S A JOURNEY

Study Abroad and Exchange Guide 2018
“Only two of the top universities in Australia offered materials science. I visited the campus facilities, research opportunities, and current research and chose UNSW.”

Kathleen Nunes (Brazil)

“I only looked at UNSW because its education is renowned. I didn’t seriously consider any other university. I feel really comfortable and at home here.”

Jeweon Ryu (S. Korea)

“I decided that UNSW was the best choice in terms of academics, quality, and location of the campus. UNSW has good classes, great professors, and a good and active student union.”

Kristoffer Kragrud (Norway)
Welcome to UNSW Sydney

Studying at UNSW is an experience second to none. We combine state-of-the-art facilities and teaching delivered by academics recognised as world leaders in their fields, with rigorous academic standards and a strong emphasis on preparing our students for future career success.

At 68 years of age, UNSW is no longer young in years but it remains young in spirit. We are committed to challenging traditional thinking, pushing boundaries, and giving researchers and students the opportunity to realise their potential. We take great pride in our students, both past and present, who make UNSW a truly great university.

Developed in 2015, the UNSW 2025 strategy sees UNSW working over the next decade to cement our position as ‘Australia’s Global University’. The strategy outlines our commitment to excellence in teaching and research, our passion for social engagement and our commitment to impacting the world.

UNSW has the potential to achieve great things in the course of the next decade and it is people, like you, who will make the difference.

We hope you choose our community and that your journey is a successful one.

YOUR AUSTRALIAN ADVENTURE STARTS HERE

Welcome to UNSW Sydney

Studying at UNSW is an experience second to none. We combine state-of-the-art facilities and teaching delivered by academics recognised as world leaders in their fields, with rigorous academic standards and a strong emphasis on preparing our students for future career success.

At 68 years of age, UNSW is no longer young in years but it remains young in spirit. We are committed to challenging traditional thinking, pushing boundaries, and giving researchers and students the opportunity to realise their potential. We take great pride in our students, both past and present, who make UNSW a truly great university.

Developed in 2015, the UNSW 2025 strategy sees UNSW working over the next decade to cement our position as ‘Australia’s Global University’. The strategy outlines our commitment to excellence in teaching and research, our passion for social engagement and our commitment to impacting the world.

UNSW has the potential to achieve great things in the course of the next decade and it is people, like you, who will make the difference.

We hope you choose our community and that your journey is a successful one.
Can you see yourself at UNSW? Here is a great way to find out.

Experience our Sydney campuses in 360° from your computer, tablet or phone. Get a taste of life at UNSW. Observe how our campuses function, get insider access to study and research spaces, and hear from world-leading academics.

When you start the tour, a guide will provide an introduction to the experience. Yellow buttons appear in the landscape as you move around. Click on a button to watch videos about our Faculties and people, read about buildings and who is inside, and learn about our facilities, the University’s history, and life as a student on campus.

Imagining yourself at UNSW has never been easier.

Take your experience to the next level and download the UNSW 360 Tour app.
We are ranked 45th overall in the world.  / QS World University Rankings, 2017–2018

14th most international university in the world.  / Times Higher Education, 2017

 Biggest student startup program in Australia. (562 programs supported since 2014)  / QS World University Rankings, 2017

23 OF THE WORLD’S TOP 50 SUBJECTS

with Accounting & Finance in the top 11.  / QS World University Rankings, 2017

UNSW is a founding member of the prestigious Group of Eight (Go8), and the PLuS Alliance, and we are a member of the Association of Pacific Rim Universities (APRU) and Universities Australia. We were also the only Australian university invited to join the Global Alliance of Technological Universities.

UNSW was the only Australian university to yield more than $100 million in government funding in 2016.  / ARC, 2016
The business capital of Australia
Sydney is home to more global firms than any other Australian city. A gateway to Asian economies, the city attracts great minds and is known for its ideal climate, relaxed outdoor lifestyle and friendly locals. It’s no wonder Sydney was voted the 10th best city in the world to live and work.*

*Mercer Quality of Living Survey 2016

Student friendly
Sydney has a diverse and cosmopolitan society. The city was ranked the 4th best student city in the world, winning extra points for quality of life (QS Best Student Cities 2016). The food and coffee are world class too.

Love Sydney for less
There are endless indoor and outdoor activities to enjoy in Sydney at affordable prices. Visit free art galleries, watch a movie at the local cinema, set off on a coastal walk, enjoy a barbecue in the park, go snorkelling or surfing at the beach, or grab a cheap lunch or dinner in our neighbouring suburbs.

Surrounding areas
UNSW is located in the leafy Eastern Suburbs, minutes away from Coogee Beach and Centennial Park. The surrounding suburbs of Kingsford, Randwick and Maroubra are full of affordable cafes and restaurants offering an impressive range of international cuisine, reflecting the area’s diversity.

Outside Sydney
Hop on a train to the Blue Mountains for some fresh air, go north or south along the coast for quiet and stunning beaches, or head inland for Australian rural life. And you can always hop on a plane to Melbourne, the Gold Coast, New Zealand or Bali, just like the locals.

international.unsw.edu.au/sydney-worlds-best
EXPERIENCE A WARM AND WELCOMING COMMUNITY

UNSW offers a village atmosphere that will make you feel right at home.

Campus facilities
UNSW Kensington campus has everything you need including over 40 cafés and restaurants, two banks, four ATMs, a post office, a supermarket, a food cooperative, a pharmacy, medical centre and dentist, two libraries, a fitness and aquatic centre, and sports fields and courts.

Study areas
Work on your assignments at one of our many indoor computer labs or outdoor study areas complete with power outlets to charge your devices. Stay connected to family and friends with free Wi-Fi throughout the campus.

Clubs and societies
Choose from over 250 student-led clubs and societies covering an immense range of hobbies, and cultural and social activities.

Student association
Arc is our student association, run by students for students. Find out about parties and events, or get discounts from partner organisations, free legal advice, and assistance with finding a part-time job or volunteer work.

Language and conversation skills
Improve your language skills by participating in one of our many programs or discussion groups on campus. We can even match you with a partner who shares your language, while you work on improving your English.

Religious centre
Our interfaith religious centre is for all UNSW students. Chaplains conduct services and studies, and offer spiritual counselling. The Islamic Society has an Imam in attendance with meeting and prayer rooms available.

Staying safe
To maintain our safe and enjoyable study environment, our security service provides a 24-hour comprehensive presence across the campus. Our StaySafe@UNSW free app allows you to track the night bus, and provides safety tips, contacts, a newsfeed, and much more.

international.unsw.edu.au/life-at-unsw
LIVE ON CAMPUS, MAKE FRIENDS FOR LIFE

UNSW is the largest provider of student housing in Sydney with award-winning accommodation on and off campus. Live within walking distance of your lecture halls, meet people from around the world and make lifelong friends. Alternatively, find your own home in the neighbouring Eastern Suburbs or by the beach.

Accommodation at UNSW

Colleges
Colleges provide a choice of full board, partly catered and self-catered style accommodation. There is also a range of gender-specific options including male only, female only, and mixed male and female accommodation. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

Apartments
Apartments offer independent-style living for undergraduates, postgraduates, couples, and families with children. There are apartments available on and off campus and costs vary depending on the number of rooms and the location.

University accommodation should be organised in advance as places book up quickly. Apply for UNSW accommodation at housing.unsw.edu.au

Private accommodation options

Rental property
There are many private rental properties available in the suburbs surrounding UNSW. Costs vary according to the number of bedrooms, condition and location. When renting, you can expect to sign a 6 or 12-month lease and pay rent in advance plus a security deposit called a bond. Rental properties can come furnished or unfurnished and additional expenses like electricity, gas, telephone and Wi-Fi are typically not included in the rental price. Costs vary but usually range from A$200 – A$300 per student per week in a shared house or apartment.

Homestay (full board and room-only)
Homestay options include full board and single room-only accommodation. Full board usually includes a furnished room, use of facilities in the private home of a family or single person, plus breakfast and dinner. Some may also include bed linen, a laundry service and weekly room cleaning. Single room-only homestays include a furnished room, and gas and electricity expenses in the rental price. You will be responsible for providing your own food, cooking, cleaning, and laundry and telephone costs. Costs vary but usually range from A$180 – A$300 per student per week.

Search our database of locally listed private properties at studystays.unsw.edu.au

Temporary accommodation
If you haven’t confirmed your university accommodation before you arrive, we recommend you allow three to four weeks before classes begin to look for private housing, settle in and attend orientation sessions. Be sure to book short-term accommodation first, then look for long term options in person. This can include private hotels, motels, hostels, lodges or furnished apartments ranging from A$45 to A$300 per day.

Under 18s
Arrangements must be made for students under 18 years of age. These requirements are in line with Australian Government regulations for the care and welfare of international students under 18. For more information, visit student.unsw.edu.au/visa18

For more information, visit student.unsw.edu.au/accommodation

**Spotlight on Australian Studies Courses**

While you are studying abroad in Sydney, why not take the opportunity to learn more about the people, history, and landscape that make up this unique country?

UNSW offers pre-approved, elective courses intended to introduce students to a range of fascinating topics and enrich your international experience.

- MSCI0155—The Marine Environment
- ATS1012: Aboriginal Sydney (S2)
- AT81101: Indigenous Australia (S1)
- MSCI0001: The Marine Environment (S1/S2)
- ARTS1840: Australian Politics in the Global Perspective (S1)
- ARTS1190: Australian Legends, Inventing Australian Studies (S2)
- BIEU0500: Introduction to Sydney, Environment (S2)
- GENL1250: Sport, Law and Society In Australia (S1/S2)

**Experience the Great Barrier Reef for course credit**
Aviation and Sustainable Tourism is a unique course designed to provide students with the field-led development of skills in comprehending and assessing the physical, social and economic sustainability of societal decisions in the context of the Great Barrier Reef marine park. The course includes a field excursion to Lady Elliot Island from 14-18 February 2018. Additional travel costs apply.

**Course details:**
Contact hours: 18 hours of class delivered on the island and a further 20 hours delivered on-campus between Week 1-7.
Credit load: 8 units of credit.

Interested in this exciting academic opportunity? Contact the Study Abroad team for additional information.
Research areas range from:
• climate change, environmental and sustainability, renewable energies and renewable materials,
• life-saving medical treatments and therapies;
• ground-breaking technologies and new processes;
• world-leading health and social policies.

The University’s award-winning researchers are strongly represented in national and international prizes, honours and fellowships.

We continue to build on our reputation for world-class research in key areas of research strength that are critical to the future, using our close links with industry and other institutions to ensure our work has practical application and impact.

Our research focus includes the following areas of strength:
• Biomedical Sciences
• Water, Climate, Environment and Sustainability
• Next Generation Materials and Technologies
• Social Policy, Government and Health Policy
• ICT, Robotics and Devices
• Law, Business and Economics
• Fundamental and Enabling Sciences
• Contemporary Humanities and Creative Arts
• Defence and Security

study.unsw.edu.au

RESEARCH STRENGTHS

Established in 1949 with a unique focus on the scientific, technological and professional disciplines, UNSW has a proud tradition of world-class research and research facilities that focus on areas critical not only to Australia and the region but also internationally.

Study Abroad Research Practicum

The Study Abroad Research Practicum enables students from both partner and non-partner institutions to undertake short-term research visits at UNSW. There is flexibility in when you commence, with UNSW welcoming students weekly.

You will have access to an appropriate supervisor, services, libraries, campus amenities and liability insurance for UNSW premises.

Tuition fees
Tuition fees of A$1,000 per semester and an administration fee of A$330 are applicable.

Eligibility
You must be currently enrolled in an undergraduate or postgraduate degree with a minimum GPA of 3.0 (or equivalent) and you must meet UNSW’s English language requirements (see page 28).

Before you apply, you need to contact a supervisor at UNSW and discuss your proposed research.

How to apply
Visit our website for step-by-step instructions on the application process: international.unsw.edu.au/research-practicum

You can also contact us at practicum@unsw.edu.au for more information.
You can study for one or two semesters at UNSW and transfer credit back to your studies at home. Tuition fees are applicable. An official UNSW transcript will be issued.

You can study almost any course at UNSW as long as you have the required background knowledge. You can also take a supervised internship or research placement to gain industry experience.

What can you study

Students are required to have overseas student health cover (OSHC) for the duration of their student visa (except holders of Norwegian, Swedish and Belgium passports). Study Abroad will purchase OSHC on your behalf through Medibank Private. The 2017 cost is A$300 for 1 semester or A$550 for 2 semesters. OSHC costs are subject to change and are indicative only.

Laboratory loading

An additional A$250 is applied to each course that has a substantial laboratory component.

OSHC

The 2017 costs is A$300 for one semester and A$600 for two semesters (please note these rates are indicative and may be subject to change in 2018).

Entry requirements

To be eligible for the Study Abroad program you need to have achieved a cumulative grade point average of 3.0 on a 4.0 grading scale, or meet the equivalent standard from your home institution. You also need to meet UNSW English language requirements.

UNSW Study Abroad offers some internship opportunities. The internships are weighted at 6 units of credit or one course and students are expected to enrol in another 18 units of credit to make up the full time study load. Contact our office for further information and application forms.

OSHC

The internships are weighted at 6 units of credit or one course and students are expected to enrol in another 18 units of credit to make up the full time study load. Contact our office for further information and application forms.

OSHC

The internships are weighted at 6 units of credit or one course and students are expected to enrol in another 18 units of credit to make up the full time study load. Contact our office for further information and application forms.

Application process

1. Create a student profile online
   http://unsw.openacademies.com/registerforstudyabroad

2. Start your application
   Check the name on your application is the same as on your passport.

3. Submit your application online
   As part of your application, you need to upload supporting documents including:
   1. Most recent academic transcript (with English translation) as pdf
   2. 2D page of your passport
   3. Proof of English Language Proficiency if applicable (see page 28)

4. We will send you a letter of offer
   Your application is assessed by Study Abroad. If successful you will receive your offer letter by email.

5. Accept your offer and apply for housing
   Accept your offer and pay your deposit and/or OSHC fees if applicable. You will receive your confirmation of enrolment (CoE) for your visa application.

6. Confirm your visa and book flights to arrive in time for orientation

Internships

UNSW Study Abroad

T: +61 2 9385 3179
E: studyabroad@unsw.edu.au
W: studyabroad.unsw.edu.au

t chemical engineering
The student exchange program is designed for students from partner universities who want to undertake coursework for 1-2 semesters at UNSW. Credit can be transferred back to your degree studies at home.

For a full listing of partner universities, visit international.unsw.edu.au/partner-universities

How to apply
In order to apply you first need to be nominated by the Exchange Office at your home university. Our application process is online. Once nominated, an email is sent to you with information on how to complete your application. Students are required to have overseas student health cover (OSHC) for the duration of their student visa (except holders of Norwegian, Swedish and Belgium passports). Details on how to purchase OSHC are provided on your acceptance.

Enrolment
All exchange students are required to enrol in a full-time load of 24 units of credit per semester or 48 units of credit per academic year. Most courses are weighted 6 units of credit, so typical enrolment will be four 6 units of credit courses.

A complete list of courses can be found in the UNSW Online Handbook. This is a great tool to develop your study plan.

We also recommend you check the UNSW Online Timetable to ensure your courses are offered in your exchange semester.

While most Faculties will accept suitably qualified exchange students, in some areas restrictions do apply. international.unsw.edu.au/exchange_to_unsw

Enrolment is subject to course availability and students will need to have the appropriate academic background for the courses requested. It is important to be flexible with your course choice as some courses fill up quickly or may not be offered in a particular semester.

Internships
Exchange students are able to apply for Study Abroad internships however they will be charged the internship tuition fee. Contact our office for further information and application forms.

Application process
1 Nomination by your Home University
   An email with application instructions and login details is sent to you

2 Start your application
   Check the name on your application is the same as on your passport

3 Check the UNSW courses you wish to study are offered in the semester you will be at UNSW

4 Submit your application online
   Complete your application and upload supporting documents including:
   1. Most recent academic transcript (with English translation) as PDF
   2. ID page of your passport
   3. Proof of the English language proficiency if applicable (see page 28)

5 Accept your offer
   Your application is assessed by Student Exchange. If successful you will receive your acceptance by email. Accept your offer online and apply for housing

6 Purchase your OSHC. Details will be provided by Student Exchange.

   Apply for your visa and book flights to arrive in time for Orientation

GET FRIENDLY AND HELPFUL SUPPORT

Our students tell us we are one of the friendliest universities in Australia with a host of support services you can rely on.

Arrival support
From picking you up from the airport, running orientation events and taking you on campus tours, we make sure you feel orientated, safe and well connected. Our dedicated International Centre will be available to help you find all the information you need to settle in.

Language and conversation skills
Improve your English language skills by taking up one of the many programs, workshops, weekly conversation classes or discussion groups available. We also offer one of Australia’s leading and most popular language exchange programs. Get matched with other people who speak a language you would like to learn and, in return, teach them a language that you speak.

Clubs and societies
Joining a club or society is the best way to make new friends. Choose from over 300 student-led clubs and social societies across a range of interests for food lovers, sport, running, debating, biology conservation, the Exchange Society and more.

Academic support
As a UNSW student, you’ll get access to free online resources, academic skills workshops and series, individual consultations with peer writing assistants, exam preparation tips and much more.

Student advisers
Make an appointment with our Study Abroad and Exchange team at any time for personalised advice and information about life at UNSW.

The Hub
The Hub is a welcome space for students to explore professional development opportunities such as volunteering, peer mentoring and leadership skill development. The Hub is also a shared space for students to use.

The Learning Centre
The Learning Centre offers academic skills support for students, including individual consultations, academic writing, research, essays and reports.

Looking after your wellbeing
Through our Counselling and Psychological Services (CAPS), you’ll have the opportunity to talk to a professional counsellor who may be able to assist or help you resolve or manage your situation.

Student association
Arc is our student association – it’s run by students for our students. Joining Arc is a great way to get involved. You’ll find out about parties and events, and get discounts from partner organisations, free legal advice and assistance with finding a part-time job.

Social activities
Students have the opportunity to explore some of Australia’s natural wonders, take weekend trips to Blue Mountains, Royal National Park and Hunter Valley, go whale watching, surfing and more. See Study Abroad and Exchange for details.

---

*I had the chance to take classes that were both specific to Australia and that I couldn’t find at my home university.*

Stevie Dool (USA)

*I needed to undertake my research thesis while studying abroad. UNSW has a very strong research faculty to help me complete my thesis.*

Tomas Persson (Sweden)

*The UNSW campus is huge and I enjoy the diverse atmosphere with its many international students. The professors are very relaxed and have a great interaction with the students.*

Katharina Nickel (Germany)
