Discover your pathway to success.

unswglobal.unsw.edu.au
Discover UNSW Global

UNSW Global is a world-class organisation for international students wholly owned by UNSW Sydney. We develop and run university pathway programs in our Sydney and international campuses to help you easily transition to degrees at UNSW Sydney, and achieve your academic and career goals. Through our programs you will master the academic and English language foundations for success, and get practical experience and personal support to make the most of your studies at university.

UNSW Global offers three unique, market-leading university pathway options:

- Foundation Studies Programs
- Diploma Programs
- English Language Courses

UNSW is on Aboriginal land.
UNSW acknowledges the Bedegal, Gadigal and Ngunnawal people who are the Traditional Custodians of the land upon which our campuses stand.

Live in the heart of it all.
Sydney, one of the world’s best cities.

Sydney. It’s one of the best. And that’s not just according to us. It’s rated as the third most liveable city in the world*. What makes it so great? Well, take a look. With a stunning harbour and year-round amazing weather, it’s easy to see why people fall in love with it.

But Sydney is more than just a pretty face. It offers countless business and career opportunities, it’s Australia’s financial and economic powerhouse, plus it’s a multicultural, global city.

There’s always something to do in Sydney, and UNSW is right in the heart of it all. Come join in.

Feel safe and welcome.

G’day. Hello. Hi. How’s it going? Get used to Australians greeting you like this. It’s how we do it here. Aussies are known for being friendly and you’ll find a smile wherever you go. Plus, Sydney was ranked fifth safest city in the world in 2019**.

It’s a multicultural city full of people from all over the world. So, it will feel like a home away from home, no matter where you’re from. And the best bit about living in a multicultural city? The food. You can find any food you want here. There’s Chinatown, Spice Alley, Little Italy and an array of fresh food markets all within easy reach.

Bring your appetite. You’ll need it.

Jumpstart your career connections in the business capital of Australia.

Sydney is home to more global firms than any other Australian city. And as a gateway to Asian economies, you’ll find many valuable networking opportunities to help you stand out in the global job market.

Take a break from the books.

There’s always something fun and exciting happening in Sydney to take your mind off your studies - from concerts in the Opera House, to free events including Vivid light and musical festival, Chinese New Year celebrations and the multicultural Parramasala.

Or if you’re more into sport, there are top class sporting events including cricket, soccer, and rugby. We even have our own football here called Aussie Rules.

For the more artistic visitors, there are eclectic theatre productions, local and international music acts, and arts and culture exhibitions to keep you entertained and inspired all year round.

And if you just want a cup of coffee and a quiet place to sit, Sydney’s cafe culture is hard to beat.

Get amongst the fun in Sydney

shenton.cityofsydney.nsw.gov.au

Sydney on a budget.

On a budget? No worries. There are lots of affordable indoor and outdoor activities to enjoy in Sydney.

Pop into a free art gallery, catch a movie at the local cinema, set off on a coastal walk, snorkel or surf at the beach, or enjoy a budget-friendly lunch or dinner in one of our neighbouring suburbs.

Explore Sydney’s surroundings.

Sydney is all about the outdoors. And it’s more than just beaches.

Grab a picnic and head to one of the beautiful public parks for a barbeque with friends. Or if you’re up for a daytrip or weekend adventure, the Blue Mountains to the west of Sydney, the Royal National Park to the south or stunning Palm Beach in the north are great for a getaway. And of course, there are those beautiful beaches to the east.

Fall in love with Sydney

Here’s a little taste of what you’ll find in Sydney.

The best bits.

- Sydney is the 9th best student city in the world. (QS Best Student Cities, 2019)
- Sydney has an average of 236 days a year with sun.
- 31.7% of Sydney’s population is born overseas.
- There are over 100 beaches in Sydney.
- There are over 250 languages spoken in Sydney.
- The Sydney Harbour Bridge is also called “the coat hanger”.
- The Sydney Opera House hosts 40 events a week.

Sydney is the 9th best student city in the world. (QS Best Student Cities, 2019)

31.7% of Sydney’s population is born overseas.
There are over 100 beaches in Sydney.
There are over 250 languages spoken in Sydney.
The Sydney Harbour Bridge is also called “the coat hanger”.
The Sydney Opera House hosts 40 events a week.
Your pathway options for success.

Who is it for?
Students who want to study a bachelor’s degree but have missed out on direct entry because they haven’t finished high school, their qualifications are not recognised, they have not met the entry criteria, or they need some additional English tuition.

Progression to UNSW
When you successfully complete your pathway program, and meet the grade point average (GPA) and English language requirements, you will gain entry to your chosen UNSW bachelor’s degree. If you are studying Foundation Studies and do not meet the GPA required to enter first year, you may have the option to complete a Diploma Program before progressing to second year at UNSW.

Why study at UNSW Global?
If you do not meet the entry requirements for UNSW, you can choose from multiple pathway options that will help you get into a bachelor’s degree at UNSW Sydney - one of the world’s top 50 universities.
QS World University Rankings, 2020

What is a pathway?
Pathway programs are tailored for international students and prepare you for success at University.* UNSW Global pathways include Foundation Studies Programs, Diploma Programs and English Language Courses. These programs and courses are designed to give you the academic knowledge and English language skills needed to meet the entry requirements to a university degree, while making your transition into UNSW Sydney as smooth as possible.

UNSW Foundation Studies will help me gain direct entry into a Bachelor of Commerce/Information Systems, which will help start my career.
- Sahel Mohammed
India
Foundation Studies

*Students who become Australian permanent residents or Australian citizens during a Diploma Program will be subject to additional competitive processes for entry to a UNSW Sydney degree program. UNSW Global Pty Limited (ABN 62 086 418 582) delivers UNSW Foundation Studies and Diploma Programs on behalf of UNSW Sydney under UNSW CRICOS Provider Code 00098G.

UNSW Global pathways

Pathway 1
- High school
  Year 11/12
- Foundation Studies
  UNSW Sydney
  Undergraduate degree, Year 1

Pathway 2
- High school
  Year 12
- Diploma
  UNSW Sydney
  Undergraduate degree, Year 2

Foundation Studies Programs
- Prepare for life at university in Australia
- Build your proficiency in English and academic subjects
- Create your pathway to a successful career through a UNSW bachelor’s degree

Diploma Programs
- Fast-track to Second Year of your UNSW bachelor’s degree
- Receive two qualifications: a Diploma and a Degree
- Study Business, Computer Science, Engineering or Science

English Language Courses
- Prepare for academic excellence
- Get a head start on your global career
- Build your English skills for entry into Diploma and Foundation Studies Programs, and UNSW bachelor’s and masters degrees

*An English pathway may be required prior to commencing your program. For more information, see page 48. On completion of a Foundation Studies Program, if the GPA requirements are not met, students may be eligible to study a Diploma Program and then progress to second year of their chosen UNSW degree.
As part of your pathway program, you can access a range of learning support services and online resources, designed to help you achieve your learning and personal goals at no extra cost.

A supported learning experience.

Access free learning support options outside of class time

1. **Weekly consultations**
   - Receive specialist one-on-one tutoring sessions, where experienced teachers are available every week to answer your questions.

2. **Specialist workshops**
   - Join small group teaching sessions that are designed to help you master more challenging knowledge and skills.

3. **Learning support**
   - In addition to UNSW’s world-class library, you’ll have access to other learning resources, assistance for independent learning as well as support from peer leaders and classmates in an after-hours Study Club.

4. **Conversation club**
   - Enjoy a fun way to meet new friends and improve your conversation skills, which are critical for your success at university.

5. **Online resources**
   - You’ll have 24/7 access to a host of resources including learning guides, sample assessments and study activities, via the campus Wi-Fi or at home.
Places to live.
Room to grow.

Once you have decided to live in Sydney, you’ll want to find your home away from home. UNSW has a variety of on and off campus student accommodation options to suit your needs. Live within walking distance of your classes, close to the beach and make life-long friends with your roommates from around the world.

Accommodation near UNSW

UniLodge@UNSW
UniLodge@UNSW campus is specifically designed for UNSW Global students under 18 years of age. It is a great option if you want a supported introduction to independent living, right next to UNSW.
For more information, visit unilodge.com.au/student-accommodation-sydney/unsw

UNSW New College
UNSW New College is located on the UNSW campus and is an approved accommodation provider for UNSW Global students under 18 years of age.
For more information, visit newcollege.unsw.edu.au

Urbanest
Urbanest is one of Australia’s largest student accommodation providers. Suitable for all ages, if you are a UNSW Global student under or over 18 years of age, you can stay at Urbanest’s Darling Square, Darling House or Quay Street properties.
For more information, visit urbanest.com.au/sydney

Scape
Centrally located in Darlington, Scape is one of the newest student residences in Sydney. It’s a boutique-style accommodation with an urban vibe. This accommodation is suitable for all ages.
For more information, visit scape.com/en-au/student-accommodation/sydney

Homestay
Homestay is a good option for all ages if you want to immerse yourself in local culture by living with Australians in their homes. Typically, this includes a fully furnished room, use of the home facilities, breakfast and dinner. Gas and electricity expenses are generally included in the rent.
For more information, visit unswglobal.unsw.edu.au/accommodation

To help you secure your preferred accommodation, we recommend that you apply for a place as soon as possible.

Other accommodation options (over 18 only).

Private Rental
For many this is more affordable and more flexible option for students. Costs can vary depending on location, condition and the number of rooms. Typically, costs range from A$150 - $300 per student, per week in a shared house or apartment.

Colleges
Choose from full board, partly catered, or self-catered accommodation. There is also a range of gender-specific options including male-only, female-only and mixed. Most colleges cater for dietary requirements like halal, kosher and vegetarian.

Apartments
Apartments offer more of an independent style of living. There are apartments on and off-campus and costs vary depending on the number of rooms and the location.
For accommodation enquiries and assistance, please contact accommodation@unswglobal.unsw.edu.au
For more information, visit unswglobal.unsw.edu.au/accommodation

Wi-Fi available in all accommodation options. Wired available in some options.
A place to make new friends.

As a UNSW Global student, you are connected to the wider UNSW community: active, vibrant and diverse.

You’ll love studying at UNSW Global. When you are a UNSW Global student, you are studying on the UNSW campus with over 60,000 other students and in the heart of an active, vibrant, and diverse student community. Our classes are held at UNSW Kensington and Randwick campuses, located close to the main UNSW campus and a short bus ride from some of Sydney’s famous beaches, parks, shopping centres and the city centre.

Get settled at Orientation Day
Your first day at UNSW Global is Orientation Day. You will receive your student card, class timetable and learn more about student life in Sydney. You will also enjoy lunch with your new classmates, meet teachers and take a UNSW campus tour with our Global Student Volunteers – current students who are very excited to meet you!

Enjoy a quality campus experience
On our campus, you have access to accommodation, cafés and restaurants, supermarket, banks and ATMs. Student specific facilities include libraries, the religious centre, the student support centre, UNSW fitness and aquatic centre, tennis courts and sporting fields. Health and lifestyle services including a medical clinic, optometrist, dentist, doctor and physiotherapist are also available to you.

Access to health services
You will also have access to medical and dental services at UNSW Health Services, and free, confidential consultations at UNSW Counselling and Psychological Services (CAPS).

I live near the campus, my accommodation is really close to the law library. This really supports my studies as I can stay there until late and safely get home afterwards.
— Yin Ziqi, China 
UEEC

Have fun and meet new people
Take part in a wide range of activities, organised just for you by our Student Services Team. Join an introductory tour of Sydney, a student excursion to popular Sydney attractions, and attend fun sporting and cultural events.

Make local and international friends by joining Arc, UNSW’s student association. As an Arc member, you’ll have access to over 300 student clubs and societies, practise your hobbies and connect with students who share the same interests.
Friendly and supportive. We're here for you.

Arrival support
When you arrive at Sydney airport, you can get to your accommodation by public transport, taxi or by booking our Airport Pickup service. You can book our pickup service (for an additional cost) once you have accepted your program offer. Under 18 students must use an approved airport pickup service.

A great way to start your Sydney experience is by joining our Sydney Basics Tour – a guided tour around the beautiful city and harbour.

Feel supported
Our Student Services staff are here to answer your questions and support you throughout your UNSW Global journey. Whether you have a personal or academic issue, our Student Advisers can meet with you individually. If you need to discuss your homestay or accommodation, a member of our Accommodation team is ready to help.

Your study style
At UNSW Global, we focus on 'blended learning': a combination of face-to-face teaching, and online resources and support. You can access our learning technologies anytime, anywhere on campus with your own phone, laptop or tablet, through campus Wi-Fi. You also have access to outstanding libraries and computer lab facilities on the main UNSW campus.

Our dedicated Learning Support Unit offers course-specific consultations, Study Club, workshops with teachers, and our popular 'Conversation Club' all to help support, practice and improve your academic and English language skills.

Join a leadership program
At UNSW Global, you will have the opportunity to participate in our dynamic Leadership Program. In this program, we will inform and empower you with the skills to become a better leader while having fun and making connections with your peers. Key topics of focus include personal leadership, self-awareness, understanding and demonstrating empathy, team performance, personal branding, communication and public speaking.

Delivered as part of the Foundation Studies Program in a workshop format, our Leadership Program will give you the skills you need to become a well-rounded leader and prepare you for your future career. You will cover topics like:

- The meaning of leadership and personal leadership
- Self-awareness and personal branding
- Public speaking and communication
- Conflict management

Work in Sydney
Normally, you are eligible to work up to 20 hours a week during term and full-time during holidays on your Australian Student Visa. But check your visa rules to make sure you are allowed to work before you start looking for a job. Read the rules at immi.homeaffairs.gov.au

If you have questions about your pay and conditions at work, visit fairwork.gov.au - information is available in 27 languages.

For more information in relation to finding a job in Australia, visit study.sydney/work/finding-a-job

For more information, visit unswglobal.unsw.edu.au/student-support
Under 18 Student Care Program

Your home away from home

UNSW Global is one of Australia’s most experienced education and care providers for international students who are under 18 years of age. We have carefully selected accommodation options for you, with systems and processes in place to support your safety and wellbeing. If you are an under 18 student, we can support you with appropriate accommodation and welfare arrangements which are required before you can be granted a student visa.

Get the right support while you’re studying in Australia

To provide care that best supports your study, safety, accommodation and welfare needs, we work closely with:

- You
- Your parents
- Accommodation providers
- Student Support teams
- Your teachers
- Other service providers

The UNSW Global Student Support team is highly trained in the unique needs of younger students. Student Advisers follow a specifically designed care program to make sure that you have the best possible experience in Australia.

As a student, you’ll experience:

- A customised Orientation Program that includes specialised workshops to help you settle into your new study and home life.
- Regular one-on-one Student Adviser consultations, where you can discuss personal, enrolment and accommodation issues.
- Regular feedback on your academic progress and attendance, including communication with your teachers.
- Access to UNSW services including counselling and psychological services, UNSW social and student clubs and relevant events.

Parents will receive:

- Parent Information Sessions in English or Mandarin by our Student Advisors.
- Results and Progress Reports detailing their child’s progress and personal welfare within our Foundation Studies or Diploma Programs.
- Assurance that their child will be supported and monitored by our Student Support staff throughout the year.

How to apply for your Student Care Program

Step 1
Choose one of the below Care Arrangements options:
1. Live in Sydney with your parent/legal guardian or other relative who agrees to take care of you. If you choose this option you must first nominate the relative through the Department of Home Affairs (DHA). Visit immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/welfare-arrangements-students-under-18
2. Apply to UNSW Global for Confirmation of Appropriate Accommodation and Welfare. With this option you will have to live in UNSW Global Approved Accommodation. You can choose to live in:
   - UNSW Global approved student accommodation (see pages 18 - 21), under additional supervision and care by our Accommodation team, or
   - a selection of UNSW Global approved homestay providers including Oz Homestay, Homestay Network, Global Experience, Study Vision, Auzzie Families, Australian Homestay Network.

Step 2
Submit your application, your Confirmation of Appropriate Accommodation and Welfare (CAAW) form and proof of your accommodation arrangements in Sydney.

Step 3
After careful consideration we will issue a CAAW letter, confirming we have approved your accommodation and will provide support and care.

Step 4
Apply for your student visa, with your CAAW approval letter and appropriate accommodation and welfare arrangements in place. For more information, visit unswglobal.unsw.edu.au/application/under-18

*Please note there may be additional associated fees with care arrangements/guardianship, under 18 monitoring and airport pick-up.
UNSW Foundation Studies Programs
Where your Global journey starts.

UNSW Foundation Studies Programs
Provide pathways to all UNSW bachelor degree programs.
- Range from 4 to 15 months in length (based on your academic and English language background).
- Enable you to study under the instruction of experienced teachers with your international peers, in a diverse global community.
- Ensure you are supported throughout your UNSW Global experience, with extra consultations, Study Club and learning support resources. As you transition into UNSW, you’ll be perfectly placed to meet the academic demands of your chosen degree.

In Term 1 2019 UNSW Business School, Engineering and Built Environment (Architecture) were the top three Faculties that Foundation students progressed into followed by Arts and Social Sciences, Science, Art and Design, Law and Medicine.
Why complete a Foundation Studies Program

Over 85% of students from our Foundation Studies Programs progress to university.

Over 30,000 students have completed our Foundation Studies Programs, enjoying success at university and in their careers.

University experience with lectures and tutorials, for an easy transition to university learning.

Over 30 years of experience preparing students for university.

1st Foundation Program in Australia.

Small classes with up to 20 students per class so you receive individual attention.

Expert teachers who are committed and experienced in teaching international students, in an engaging and supportive manner.

Challenge Program

Challenge yourself

UNSW Global’s Challenge Program is your opportunity to practice what you have learned through Foundation Studies and apply these skills outside the classroom. Challenge Week in Terms 1 and 2 consists of five days of exciting academic, social and wellbeing activities designed to get you out of your comfort zone and help you grow. During the Challenge Program you will participate in activities that will help you:

- Test your knowledge
- Put skills learned in the classroom into practice
- Meet some amazing people and form new friendships
- Learn about the diverse city and culture of Sydney
- Develop your communication skills

Enjoy Foundation Studies supportive learning experience for students through:

- Assisted learning
  - Personalised learning
  - English language support

- Academic support
  - Ongoing Assessments
  - Study clubs

- Social support
  - Peer support
  - Social clubs and societies

UNSW Foundation Studies helped me by laying out the basic skills I needed to know and showing me how things are taught in Australia so I don’t find it too difficult to adjust when I start my degree.

Monica Andrea Macapagal
Philippines
Foundation Studies
UNSW Foundation Studies Programs can help you meet the academic and English entry requirements for a bachelor’s degree at UNSW Sydney.

The program is for you, if you:
- Have completed at least 11 years of schooling or finished high school.
- Just missed out on entry to a UNSW Sydney degree or Diploma Program.
- Want to study at UNSW.

We have a range of programs depending on your academic and English language levels. To find out which program you are eligible for, refer to entry requirements on pages 56 – 61.

Scholarships

Scholarships of up to A$7,500 are available for Foundation Studies Programs for high achieving students.

The Foundation Studies Standard, Standard Plus and Extended programs meet the requirements for Foundation Programs which have been registered on CRICOS for delivery in Australia to overseas students providing an academic preparation for seeking entry to First Year undergraduate study or its equivalent. Foundation Studies Programs (CRICOS Provider Code 03906G), Transition Program (CRICOS Course Code 095626B), Standard Foundation Studies Program (CRICOS Course Code 039061G), Standard Plus Foundation Studies Program (CRICOS Course Code 019277D), Extended Foundation Studies Program (CRICOS Course Code 039062G), Standard Plus Foundation Studies Program (CRICOS Course Code 095628B).

For more information, visit www.global/scholarships

Foundation Studies Streams

A Foundation Studies Stream is the area of study that relates to the bachelor’s degree you want to complete.
- Our streams are designed to prepare you for all UNSW bachelor’s degrees.
- All streams are available in Extended, Standard and Standard Plus Foundation Studies Programs.
- The Transition Program offers the Physical Science, Life Science, Commerce, Design and Architecture, and Actuarial Studies streams only. Transition students who are planning to study an Arts & Social Sciences degree should choose either the Commerce or the Design & Architecture stream.

**Physical or Life Science**

**Structure**
- Academic English (18)
- Communication for success (2)
- Computing for Academic Purposes (4)
- Chemistry (10)
- Maths S (Science) (12)
- Physics / Biology (18)

**Total Units: 48**

**Popular bachelor’s degree programs**
- Aviation
- Biomedical Sciences
- Engineering
- Food Science
- Health and Exercise Science
- Medical Science
- Medicine
- Optometry
- Psychology
- Science
- Technology

**Commerce or Actuarial Studies**

**Structure**
- Academic English (18)

**Total Units: 48**

For more information on entry requirements for your undergraduate degree, refer to pages 64 - 67.

To confirm courses and streams of study before your program begins, contact UNSW Global Admissions at: admissions@unswglobal.unsw.edu.au
UNSW Diploma Programs

Fast track yourself to success.

A UNSW Diploma in Business, Computer Science, Engineering or Science provides you with a fast track to success. The programs have been designed as an alternative path for international students who have just missed out on direct entry to a UNSW degree. Successfully completing the 12-month program will allow you to progress into second year of a UNSW bachelor’s degree in Business, Computer Science, Engineering or Science.

As a diploma student you will:
- Gain direct entry to Second Year of UNSW’s undergraduate degrees in Business, Computer Science, Engineering or Science on successful completion of your program.
- Graduate at the same time as your friends at UNSW.
- Enjoy smaller tutorial classes and have access to additional free tutoring and consultation at no additional cost.
- Access the same facilities and resources as First Year undergraduate students.
- Earn two UNSW Sydney qualifications by the time you complete your degree - a diploma and a bachelor’s degree.

For more information, visit unswglobal.unsw.edu.au/diploma

Scholarships

Scholarships of up to A$7,500 are available for Diploma Programs for high achieving students.

For more information, visit unswglobal/unsw.edu.au/scholarships
A Diploma in Business at UNSW is your first step to a career in business, with a direct pathway to Second Year at the prestigious UNSW Business School. Once you successfully complete a UNSW Diploma in Business, you will progress to Second Year at UNSW to study a Bachelor of Commerce or Bachelor of Economics.

For program dates and fees see page 68.

No. 1 in Australia for Accounting and Finance and 13th in the world.

No. 2 in Australia for Business and Management

Study
Courses which are equivalent to First Year courses at UNSW. You will also study a Communication and Academic Literacy course so you are well prepared for your further degree studies. The 12 month program is divided into three 12 week terms.

Successfully complete a Diploma in Business and progress to second year at UNSW. Choose from one of the majors below.

**Bachelor of Commerce majors**
- Accounting
- Business Economics
- Business Law
- Business Strategy and Economic Management
- Finance

**Bachelor of Economics majors**
- Econometrics
- Economics
- Financial Economics

Financial Technology
- Human Resource Management
- International Business Management
- Taxation

Note: Diploma in Business students must achieve an average of 60% across all academic courses to be guaranteed entry to Second Year at UNSW. If you wish to study a major not on this list you may be eligible to receive credit for courses that are common.

Diploma in Business CRICOS Course Code 102394F

The support students receive from teachers is what sets the Diploma program apart. There is a large amount of contact with lecturers and more opportunity to discuss content and homework. Students also have more time to complete the course than they would in the first year of an undergraduate degree.

Diploma teacher
Dr Johann-Heinrich Schonfeldt
Diploma in Computer Science

Take the first step in your study of the design, construction and uses of computer systems with a Diploma in Computer Science at UNSW, for a direct pathway into Second Year at Australia’s top Engineering faculty. Once you successfully complete a UNSW Diploma in Computer Science, you will progress to Second Year of a Bachelor of Science (Computer Science) at UNSW.

No. 1 in Australia for Engineering
QS world university rankings by subject, 2020 and ARWU Shanghai subject rankings, 2020

No. 30 in the world for Computer Science
US News and World Report Rankings, 2020

Study
Courses which are equivalent to First Year courses at UNSW. You will also study a Communication and Academic Literacy course so you are well prepared for your further degree studies. The 12 month program is divided into three 12 week terms.

For program dates and fees see page 68.

The Diploma program offers a more personalised introduction to your UNSW degree. Small class sizes allow you to get to know your lecturers and tutors. The program runs at a slower pace than the standard first year courses, helping you to balance your study and non-study time with less pressure.

Diploma teacher
Dr Noel Hanna

English Language Courses

Improve your English language skills at UNSW Global.

If you want to study an academic pathway program, or an undergraduate or postgraduate degree, there’s an English course for you.

UNSW Global’s English pathway courses are designed to help you improve your skills so you can meet the UNSW English language entry requirements. They also prepare you for success at university and in your global career.

UNSW Global English Language Courses offer:

- Flexibility with a range of courses available at different levels, lengths and for a variety of purposes
- The very best preparation for academic success at UNSW, and your global career
- Testing and teacher training
- Foundation English Entry Courses (FEEC), Essential Academic English (EAE), Essential English (EE), Career English (CE) and University English Entry Courses (UEEC) – suitable for you if you haven’t met English entry requirements for our Foundation Studies Programs or simply want to improve your English to enter a diploma or degree program at UNSW.

Which English course is for you?

Why study English at UNSW Global.

Our courses are delivered by Australia’s first university languages centre.

We have over 50 years of experience in language teaching.

Over 4,000 students progress through our courses each year.

Classes are delivered at the UNSW campuses, giving you access to the university facilities and social surroundings.

The English language course really helped me to develop my study skills. I was able to develop key skills that would help me at university such as the best way to format notes in the lecture.

– Meiwei Chen
China
English Language Courses
UNSW Global's Foundation English Entry Course (FEEC) has been developed to support students with their English language skills prior to beginning their Foundation Studies Program. Depending on your current level of English, you may need to complete a 10, 15 or 20-week course.

Progression

Why FEEC?
• Successfully complete the program and progress into a Foundation Studies Program without further English testing.
• Learn from highly qualified and experienced teachers who understand your needs.
• Build a network of friends and peers before starting your Foundation Studies Program.
• Access independent learning support guided by one-to-one consultations with teachers, helping you navigate the online learning portal, and develop reading and academic skills.
• Access additional skills workshops that support success throughout the course.
• Develop a broad vocabulary and navigate studying in Australia through weekly reading and listening themes.
• Prepare for key assessments and advance to Foundation Studies through a strong skills-focus.

For course entry requirements, dates and fees see pages 60, 61 and 69.

You will learn how to:
• Present, discuss and contribute to group work
• Take notes in lectures
• Read academic texts and develop research skills
• Write in an academic tone
• Use the appropriate grammar and pronunciation
• Develop independent learning strategies.

For more information, visit unswglobal.unsw.edu.au/feec
University English Entry Course (UEEC)

UNSW Global's University English Entry Course (UEEC) will help you meet the UNSW English language entry requirements to undertake a diploma or degree program at UNSW. Depending on your current level of English, you may need to complete a 10, 15 or 20-week course.

Progression

Why UEEC?

- Improve your academic English language, literacy and digital skills, giving you a strong head start for UNSW
- Progress to UNSW once you successfully complete the program. On average, 90% of students’ progress to UNSW
- Learn a range of useful skills, from research and writing processes, to accessing academic information via the UNSW online learning portal to prepare you for university assignments
- Get an authentic university experience through lessons and tasks based on actual UNSW lectures and readings on a range of topics and issues of global importance, relevant to any discipline
- Develop collaborative and independent learning skills during supportive and hands-on lessons
- Receive individual feedback in weekly consultations so that you know exactly what to practise and how to improve
- Build your confidence for university by practising communication for real situations and getting to know UNSW faculties

For course entry requirements, dates and fees see pages 62, 63 and 69.

You will learn how to:

- Give academic presentations
- Contribute effectively and confidently to discussions
- Read university-level text
- Develop independent learning strategies
- Use established academic conventions
- Listen and process authentic lectures, discussion and media reports

For more information, visit [unswglobal.unsw.edu.au/ueec](http://unswglobal.unsw.edu.au/ueec)
Immerse yourself in English.

**Tertiary Orientation Program (TOP)**

UNSW Global’s Tertiary Orientation Program (TOP) is a 5-week course that will help you prepare for Australian university culture, understand university requirements and develop academic English skills for success at university. You need to have achieved an IELTS 6.5 or equivalent, and have a full offer from UNSW to be eligible for this course. TOP develops your academic communication and literacy skills while enhancing your cultural awareness. It also helps you develop and present strong academic arguments on issues in your field of study. You will learn how to use academic search tools and the UNSW learning portal, and gain the skills to manage complex university assignments.

The Extensive Reading Program will help you develop your reading fluency and speed to manage the reading you will need to do at UNSW. The Listening Project will build your listening skills and introduce you to local media sources and local issues.

The wide range of activities will help you become an independent learner and develop your confidence to communicate with academic staff and students at UNSW.

For more information, visit unswglobal.unsw.edu.au/top

**Study Tours and Customised Programs**

Develop your English language skills, and experience life and studying in Australia, your way. Join us for one week or stay for a whole year - UNSW Global’s Customised Programs give you the freedom to learn English the way you want.

There are a wide variety of programs on offer that can be customised to suit your needs.

For more information, visit unswglobal.unsw.edu.au/study-tours

**Essential English (EE)**

Learn to communicate effectively in English. Essential English provides the basic English skills you need for all social, academic and work situations, with a focus on written and spoken fluency. Essential English is suitable for students who are seeking to improve their English for everyday situations, as well as to progress into an academic English program leading to university entry.

2021 indicative tuition fees per term AUD $2,300

For more information, visit unswglobal.unsw.edu.au/english-language-courses/essential-english

**Career English (CE)**

Develop the English skills you need to improve your career prospects and communicate effectively in any workplace situation. If you wish to work and progress in an English-speaking workplace Career English is for you.

2021 indicative tuition fees per term AUD $2,300

For more information, visit unswglobal.unsw.edu.au/english-language-courses/career-english
Scholarships.
For the brightest minds.

UNSW Pathway Scholarship*
At UNSW Global we reward academic excellence. UNSW Global offers scholarships of up to A$7,500 to high-achieving international students, to contribute to their Foundation Studies or Diploma Program.

For more information, visit www.global/scholarships

UNSW Global Academic Award*
Students who successfully complete a UNSW Global Foundation Studies Program and intend to progress to a UNSW bachelor’s degree are eligible for the UNSW Global Academic Award of up to $10,000.

For more information, visit international.unsw.edu.au/2020-scholarships

*Terms and conditions apply.

How to apply

Step 1 – Choose your degree
Decide on your preferred UNSW Sydney degree program. You must choose your UNSW Sydney degree to determine which stream you will study.
For more information on degrees available, visit unswglobal.unsw.edu.au/programs-courses/unsw-degree-choices/

Step 2 – Check the entry requirements
If you don’t meet the direct entry requirements for a University degree, you have the option to complete a pathway program.
What is important for you to check:
• Academic Entry Requirements
• English Entry Requirements
Choose a course or program based on the above entry requirements.

Step 3 – Prepare your documents
You will need the following certified copies of your:
• Academic Qualifications (translated into English)
• Evidence of English language proficiency (if applicable)
• Passport, visa or birth certificate

See our guidelines at unswglobal.unsw.edu.au/document-certification
Please note: If you are under 18 additional documentation will be required. For more information, visit unswglobal.unsw.edu.au/under-18-authorisation

Step 4 – Apply online or via email
Go to unswglobal.unsw.edu.au/apply or complete the PDF application form at unswglobal.unsw.edu.au/how-to-apply and email to admissions@unswglobal.unsw.edu.au
Agents: Lodge with a UNSW Global representative in your country.
For more information on agents, visit unswglobal.unsw.edu.au/agents

Step 5 – Accept your offer
Once we approve your application, you will receive a Letter of Offer with instructions on:
• Accepting your offer
• Paying your deposit and fees

Step 6 – Apply for your visa
Once the steps above have been completed, you will receive an electronic Confirmation of Enrolment (CoE) from our Admissions team. For more information on how to apply for a student visa, visit: homeaffairs.gov.au/Trav/Stud

Step 7 – Attend Orientation and begin your studies
Orientation has been designed to set you up for success. Please remember that attendance at Orientation is compulsory for all students. You will receive more information about your specific Orientation session by email. Then you will begin your studies at UNSW Global, starting your pathway to UNSW.

For more information on how to apply, visit unswglobal.unsw.edu.au/how-to-apply

Notes:
1. Foremost Semester 1 results are accepted for Foundation Studies and Diploma programs. 2. Forecast Semester 1 results are accepted for Foundation Studies and Diploma programs where available. 3. Matriculation: 80% average of 4 subjects. 4. For Foundation Studies, bonus points may be awarded for high school and any other relevant qualifications.
English entry requirements for Foundation Studies and FEEC.

Before entering UNSW Foundation Studies, students will need to have reached a minimum level of English language proficiency. If students have English qualifications other than those listed below, they may still apply to enter these programs. Other English qualifications will be considered on a case-by-case basis. If students do not meet the programs direct entry requirements, they may be eligible for a Foundation English Entry Course (FEEC).

*Direct entry into a UNSW Degree or Diploma Program.

For more information and the most up to date entry requirements, visit [unswglobal.unsw.edu.au/ueec](unswglobal.unsw.edu.au/ueec)
### Foundation Studies GPA

Students are assessed throughout each course using the following methods:

- Assignments, Tutorials and laboratory sessions
- Semester examinations and final examinations

For information on how to calculate your Foundation Studies GPA visit [unsglobal.unsw.edu.au/calculating-your-grade-point-average](http://unsglobal.unsw.edu.au/calculating-your-grade-point-average)

Experience a taste of UNSW Sydney.

Young Entrepreneurs & Leaders Program

The Young Entrepreneurs & Leaders program is designed to give you a taste of university life, as part of the program you will learn the key skills required to succeed as a young leader and entrepreneur in the 21st century.

The 10-day program will help you to get a head-start in developing global, entrepreneurial and leadership solutions, while experiencing first-hand the teaching approach at UNSW and the culture in Sydney.

As part of the program you will:
- Meet other students and experience life at UNSW.
- Visit Sydney’s most famous landmarks.
- Engage in an entrepreneurial project from concept to funding pitch, with the goal of enhancing society at a local, national or global level.
- Attain skills focusing on smart design thinking for the theory and application of contemporary business practices, technology enhanced teamwork and collaboration, and public speaking.
- Be mentored by expert entrepreneurs and academic staff and experience fluid global fields from both a theoretical and practical perspective.
