Direct entry table key and notes

Entry guide key

● There are a number of dual degrees. Refer to the Coursework Programs section for details. Admission is determined at the higher entry requirement of the two programs.

● There are limited places available in this program. While offers will be made progressively on receipt of application, applicants should be aware that strict quotas apply for this program and early submission of application is advised. Scores indicated are a guide to the minimum required.

● Applicants who are required to apply through the Universities Admissions Centre (UAC) and are applying for admission to Engineering may be eligible for the Faculty of Engineering Admissions Scheme. For more information see eng.unsw.edu.au/feas
