### Undergraduate direct entry table

This table is a guide only and actual entry requirements may be higher or lower than those indicated. In all cases, admission will be determined upon the receipt of an application. The university reserves the right to vary entry requirements to those published without further notice. For further explanations of this table refer to the key on the next page.

</table>

**Key:***
- **Admission** refers to the minimum entry requirements for each program.
- **English** refers to the minimum English proficiency level required for admission.
- **Mathematics** refers to the minimum mathematics proficiency level required for admission.
- **Science** refers to the minimum science proficiency level required for admission.
- **Technology** refers to the minimum technology proficiency level required for admission.
- **Business** refers to the minimum business proficiency level required for admission.
- **Law & Social Sciences** refers to the minimum law and social sciences proficiency level required for admission.
- **Engineering** refers to the minimum engineering proficiency level required for admission.
- **Creative Arts** refers to the minimum creative arts proficiency level required for admission.
- **Fine Arts** refers to the minimum fine arts proficiency level required for admission.
- **Performing Arts** refers to the minimum performing arts proficiency level required for admission.
**Program Information**

- **Schools and Locations:**
  - Business School B
  - Actuarial Studies
  - Science B
  - Aviation (Flying)
  - Built Environment
  - Arts & Social Sciences
  - Criminology & Criminal Justice
  - Economics/B Education (Secondary)
  - Design/B Education (secondary)
  - Data Science and Decisions
  - Medical Science
  - Economics
  - Social Research & Policy
  - Science Biotechnology (Honours)
  - Vision Science/Master of Clinical Optometry
  - Fine Art/B Arts
  - Design/B Media (PR & Advt)
  - Engineering (H)/B Commerce
  - UNSW Foundation Studies - Transition Program
  - UNSW Diplomas in Engineering and Science
  - UNSW Art & Design
  - Future and Global Studies
