Visa Information
Please allow for ample processing time if you need to obtain a visa to attend the WIAC. Please consult the Department of Home Affairs Visa finder, or contact the Australian Consulate or Embassy in your country for professional advice.

Transferring from Sydney International or Domestic Airports
The International and Domestic terminals of Sydney Airport are located in Mascot, about 20 – 25 minutes’ drive from UNSW Sydney. The airport is well serviced by public bus services, a train line, taxis, Uber and rideshare services, private car services and shuttle buses that service to the Eastern Suburbs.

We recommend taking a taxi directly to your hotel or taking public transport. Sydney can have congested traffic during peak hours (6-9am and 3-7pm) and taxis/rideshares can be expensive during those times. Taxis are available outside the airport or by calling 132 227.

For more information on planning your route to and from the airport, please consult https://transportnsw.info/.
Religious Facilities

Australia is both a multicultural and secular country, though many religions are practised. UNSW is well known for its identity as a global university. There are prayer facilities on campus that accommodate Anglican, Buddhist, Catholic, Orthodox, Pentecostal, Presbyterian, Jewish and Muslim faiths. These are located at The Religious Centre on Level 3, The Squarehouse (Map Ref: E4). All food provided at the conference will be Halal and ordered from a certified Halal caterer.

Smoking

Smoking is not permitted inside most buildings in Australia, and especially not where food is served. UNSW campuses have implemented a smoke free policy and smoking is not permitted anywhere on campus.
